

Friends & Fiber Works

Welcome Back Tracey!

I am excited to let you know Tracey is back in the shop . As most of you know Tracey had hip replacement surgery the day after our Winter Retreat. She has been recovering and is now back with us with wonderful fresh ideas for the shop. We all know that Tracey is the one who makes it look beautiful at the shop!

New Partners?

We would like to thank all our customers for your wonderful support of our 1st year.

Our shop is growing so fast that it is becoming difficult to manage all areas by ourselves.

Tracey and I are pleased to introduce you to our new partners,

Sandy Joyner and Kim Gough.

Both of these ladies are at the shop almost on a daily basis and have been great help to us and the many folks who have come in to our shop.

Asheville Yarn/Fiber Crawl?

Oh yes, we think it would be fabulous!

We are still in the planning stage but want to include fiber farms (possibly a shearing day would be great), yarn shops, galleries, anything fiber related would be awesome. We want to have demonstrations at our shop as well. We would love for this to be a free event but if we want the crawl to be scheduled (charter bus) instead of a self guided tour there may be a charge. If you are interested, please call me or email works even better as I am still working @ school during the day.

March Madness!

March Madness Sale!

All Green Yarn in stock will
be 10% off all month.

Stitches Pre Celebration Party March 19th.

We have a 25 foot section in our shop where we are assembling all the products that we will be taking to Stitches in April. We invite you to come out to view the goodies. We have some new patterns from local artists that we will be selling in the shop as well as at the event. Light refreshments will be served. A huge thank you to all who have offered to go with us to Stitches to demonstrate and talk up the Summer Retreat, we have 1 room booked so far and will be adding a second after we confirm with some of you.
